VALK CONTINENTAL 17.00 CABRIO

BROKER'S COMMENTS

This Valk Continental has an enormous amount of living space and comfort. With her double glazing and Kabola heating she is well suited to live aboard for extended periods. And with a minimum air draft of 3,49m she can also cruise the French canals! She is easy to handle and maneuver with twin Volvo Penta diesel engines with electronic engine controls and a powerful bow and stern thruster. Why not book a viewing? With a fresh hull paintjob in 2020, new teak rubbers in 2021 and a new cockpit cover in 2022 she is ready for a new adventure!
