## BROKER'S COMMENTS

"Looking for an economical long distance passage maker with sufficient power, but always in great comfort? The Symbol pilothouse Two Oars is just below 15 meter of length, but she feels like an 18 meter. Offering incredible living and storage space, a full size kitchen, stunning roomy pilothouse with internal stairs to flybridge. Naiad stabilizers for top comfort when cruising and trim tabs for max fuel efficiency. Look at the spotless engine room and techniques, maintained "by the book". She is capable to cross any sea you like!"
