VENTURA 28

BROKER'S COMMENTS

Looking for a beautiful fast sailing ship, with looks from the sixties? Then the Ventura 28 is a boat you must have seen at least. With the 425 hp Mercruiser on board, the ship reaches speeds well above 80 kilometres per hour. This classic-looking boat from 2015 is easy to handle thanks to the electric bow and stern thruster. Feel free to come and view this beautiful modern, yet authentic boat in our covered water shed in Loosdrecht!
