VALKKRUISER 1200 CLASSIC

BROKER'S COMMENTS

This neat 1976 Valkkruiser 1200 Classic still looks great for her age and is looking for a new owner. The vessel has been well maintained over the years and has undergone several upgrades. This motor yacht is equipped for long term cruising with a generator, a washing machine/drier and a Webasto heater, which provide comfort during the colder days, and offer independence from shore power and marinas. The boat is powered by a DAF engine, which delivers 105 hp, and a powerful bow-thruster for easy docking.
