QNAUTIC Q39

DE VALK
YACHT BROKERS

BROKER'S COMMENTS

"The Q39 has exceptional features in terms of speed, safety, quality and luxury. The powerful hull with CE-A ocean qualification has a high freeboard on the inside which gives extra safety to the passengers in rough seas. The suspension seats and safety belts keep everyone in their place. The Q39 is equipped with 3x 400hp Mercury Verado Racing engines and a Joystick Piloting system. The top speed of this combination is between 55 and 60 knots. The high placement of the tubes makes the handling, sailing comfort and seaworthiness better than any other RIB on the market. "

Mark Hesselmans

SPECIFICATIONS

Dimensions	11,90 x 3,45 x 1,30 (m)	Builder	Qnautic - Yachts and Tenders
Built	2019	Cabins	1
Material	GRP	Berths	2
