## BROKER'S COMMENTS

This President 585 has been upgraded the last few years by the owner for almost € 60.000,-. New fuel tanks, new hoses, new carpet and a new Simrad radar with two plotter screens, new electronic engine controls, new axle seal and underwater hull treatment, propshafts, battery charger and inverter. She is lying indoors (like every year) . It is a yacht that is ideal to live on because of her spaciousness accommodation like generator, washing machine, large galley and so on.
