JEANNEAU SUN ODYSSEY 35

BROKER'S COMMENTS

Introduced in 2003, the new Sun Odyssey 35 swept the international markets. It was not easy to develop a new model in the popular 34-35 foot range, but Jeanneau has succeeded. Ample space inside, easy to handle, well balanced elegant design and fast to both.'Le Grand Bleu' is owned by her 2nd owner and comes with a popular 3-cabin layout / team version, good equipment list (heater/plotter/gps/anchor winch etc). She is located in our sales marina where she can be viewed 7 days a week.
