FABIO BUZZI 38

BROKER'S COMMENTS

The Fabio Buzzi 38 is a fast boat with a beautiful design. The streamlined hull and two 300 HP outboard motors mean that this boat can easily do more than 60 knots. The best materials have been used during construction, guaranteeing luxury and comfort. It is ideal as a day boat, although the cabin makes it possible for two people to stay on board. The Fabio Buzzi 38 has the usp" Tecno Dom Seats" which complete the vessel. She is ready for her new owner!
