TRINTELLA 53

BROKER'S COMMENTS

Versatile centrecockpit sailing yacht from the famous Anne Wever Shipyard. The Trintella 53 is the flagship of their fiberglass range, equaling the aluminum range in strength, capabilities, sail performance and reliability. The large aftcabin provides you with all the comfort you need on extended stays onboard. Ample stowage, fuel and water supply. All kinds of upgrades over the years and now extensively refitted. An ideal yacht when you want to go horizon-destination cruising. And her secret weapon; the centreboard lift keel, adding more sail performance with lower draft keel cruising area.
