## BROKER'S COMMENTS

The innovative Sealine F34 will surprise you in many aspects. Lots of light, curved lines, and the sliding cockpit seat turns a 34 into a 37 footer. Nice for sit-down dinners at sunset. Handling a Sealine in this configuration is like driving on rails. Sharp steering and a very comfortable ride. Inside two separate cabins and a salon area with a slide-out worktops and storage areas. The flybridge offers a three seat bench and a large sun bed plus forward sun bed with cushions on the foredeck. She is a real, one owner, freshwater yacht. Viewing on appointment in Limburg area.
