SMELNE VLET 1150

BROKER'S COMMENTS

The Smelne Vlet 11.50 is a one of a kind beauty built by the high Smelne standard. Due to her bilge keels, CE-B and heavier engine (with low enginehours) she is capable to cruise both the inland as coastal waters.The Smelne is easy to manoeuvre because of her bow and stern thruster. Both the first and current owner haven't saved anything on the maintenance, which you will directly see when visiting her. The Smelne Vlet 11.50 is stored in our covered sales marina in Loosdrecht.
