## BROKER'S COMMENTS

Lagoon Royal Classic 65. First launched in 2006. Beautiful sloop built of laminated oak frames and an overlapped triple mahogany planking by Lagoon Royal Yachts. She is powered with a 140 hp Volvo engine and has an impressive inventory including generator, reverse cycle aircon, watermaker, full Raymarine navigation system etc. Elegant and comfortable accommodation for six guests in three double cabins and a separate crew quarters for two forward. Mahogany interior. In the past she has been used for light charter and is now in private hands. Curious? Come and see her in A'dam upon appointment.
