HANSE 375

BROKER'S COMMENTS

The Hanse 375 is a performance cruiser with all good looks, this particular one is not hard used and very well equipped. Suggestions from former Hanse owners were taken into account when Judel & Vrolijk designed and Hanse Yachts built the 375. That includes; a cockpit with more seating area for the crew, a self-tacking jib. With her three-cabin layout, mahogany with white panels, side opening windows and numerous flush hatches should make for a bright and airy interior.
