BOSTON WHALER 270 OUTRAGE

BROKER'S COMMENTS

"The Boston Whaler Outrage 270 is considered by many as one of the best Boston Whaler's ever. And this example is really something special. She underwent a complete 'money no object' refit in 2020 and you cannot see anything on the boat that shows her true age of 20 years. With new 300hp V8 Mercury engines that have just run in, this Outrage 270 is an exceptional performer as well with a top speed of 70 knots (!). There are many center consoles on the market but there is only one Boston Whaler and this one is even more special. Contact De Valk Zeeland for more details."
