APREAMARE 11

BROKER'S COMMENTS

"This Apreamare 11 is a robust, safe and fast built vessel thanks to her semi-displacement hull which provides the boat with maximum stability, so that the sea can be enjoyed peacefully. The twin engines give her maximum security, reliability and speed at all times. This Apreamare 11 is well equipped, has two sleeping cabins and is well maintained. Teakdeck needs replacement. She is located in The Netherlands and can be inspected on appointment."

Mark Hesselmans
