

## TAK KOTTER 1280

## BROKER'S COMMENTS

Beautiful, sturdy, robust, stable and spacious cutter, equipped with one mast and a furling sail. The original design was a motorsailer and a second mast could be added. Easily maneuverable due to the bow thruster and equipped with an inside and outside steering. The current (first) owner has always maintained the ship with great care and love.

*Jan-Ward van Dantzig*

## SPECIFICATIONS
