VAN VOSSEN PATROUILLE 1200

BROKER'S COMMENTS

Beautiful example of a typical Dutch open cockpit steel motorboat that is highly appreciated. The Van Vossen 1200 Patrouille (Patrol) has a nice open bottom same level interior layout. This gives you easy access over deck, bathing platform, galley, bathroom and saloon. Equipped with a robust 170 hp Volvo diesel, she can handle the rougher waters in Europe. Comforts like central heating, double glazing, bow thruster, etc. Nice deep cockpit with plenty of seating and large storage space under the cockpit floor. The underwater hull was completely redone in 2021.
