DELTA 54 IPS

BROKER'S COMMENTS

The Delta 54 'Anassa 2' is what you call extraordinary! She is sold by the first owner with only 790 hours. The twin Volvo Penta IPS 600 engines and carbon hull makes her fast yet low on fuel consumption. Don't be fooled by her looks, she looks like she is only fast, but is equipped like a luxury yacht. With AC, water maker, heating, central vacuum cleaner and washing machine the owner will be comfortable in every situation. As bonus there is the Seakeeper, it will keep you steady during traveling and also while anchoring. The Delta 54 can be delivered without VAT.

Koen Mulder
