BROKER'S COMMENTS

Classic Swan Sparkman & Stephens Ketch from the legendary Nautor yard in Finland. This Nautor Swan 57 S&S Ketch "TINDORA" was purchased by her current and second owner in 2000. Both owners continually maintained this yacht with a lot of love, care and never cut back on maintenance costs. The teak deck and the engine have been renovated in 2021/2022. The yacht is equipped with newly fitted batteries, a bow thruster, a generator, 5 x electric winch, freezer, dingy, outboard engine, life raft, etc. The masts have been refitted and painted in 2011. The hull and topsides have been painted in 2016.
