DUFOUR 390

BROKER'S COMMENTS

This Dufour 390 is the first of the new Umerto Felci line and set the trend for a whole new generation of performance yachts. Safe, easy and good to handle, lots of light and space. This Dufour 390 is from the first and only owner and only sailed privately. With the two cabin layout you have a lovely bathroom and a lot of storage space. Delivered August 2020, she is the best alternative to a new boat. She is immediately available on a sunny destination and you benefit from a huge discount compared to the current high new price + extra equipment. Beat the prices and waitinglist!
