YACHT BROKERS

## BROKER'S COMMENTS

Searocco 1500 " Catriona" is build in 2004 as a seagoing luxury yacht with double cabins and bathroom each, designed by Vripack - Holland and equipped for long extended voyages, being largely self-sufficient with her twin Volvo Penta engines, bow- and stern thruster, generator, stabilizers, double glazing and central heating. She is build to a quality design, and constructed from first-class materials throughout. Overall, a well build motor yacht for exploring the inland and coastal waterways. She can be seen in our sales marina in Katwoude.
