BAVARIA 40 CRUISER

BROKER'S COMMENTS

This Bavaria 40 Cruiser in Valencia is in exceptional fine condition and carefully maintained by her German owner. As you would expect, all maintenance is carried out punctually and to a high standard. The yacht features a practical 3-cabin layout, a Windpilot Pacific for long ocean passages, a good set of relatively new sails and a beautifully preserved interior. The overall quality is immediately apparent wherever you look. Take a look at the spotless engine compartment and the immaculate bilge, where even the keel bolts appear as if they were newly installed. This is a unique opportunity!
