

HALLBERG RASSY 34

BROKER'S COMMENTS

"For my purpose holds to sail beyond the sunset and the baths of all the western stars until I die". "Western Stars" is made for real sailing, from long trips to weekends. With this ship you will get the real sailing feeling, almost everything is right about this ship; the layout, the sailing equipment, autopilot, windvane, all lines accessible from the cockpit etc... In short, a fast, safe and beautiful ship. Certainly when you know that many things have been renewed, including the teak deck, the propeller, always carefully maintained by the first and only owner. Come and take a look.
