## BROKER'S COMMENTS

Hallberg Rassy 34 "Western Stars" built at Hallberg Rassy VARV AB in 1994, designed by German Frers. The first and only owner took delivery at the shipyard in Sweden and started directly to explore the world with "Western Stars". Many upgrades like: recent Raymarine navigation equipment, Large service of Volvo Penta diesel engine, check of the rigging. Now many years and nautical miles later the first and only owner desided due age to sell his beloved sailing yacht, do you start the new journey with her?

*Reinier van der Wolf*
