AVANCE 36

BROKER'S COMMENTS

Avance 36, by Swedish designer Peter Norlin, was built for the shipyard owner, combining attractive classic lines with the character of speed that she also demonstrates. The Avance 36 is also an exceptionally spacious family cruiser, which shows relaxation for a pleasant stay on board, even on long voyages. The vessel has very good sailing characteristics, even in heavy weather, and is suitable for pleasant family trips along the coast.
