NORTH-LINE 42 WHEELHOUSE

BROKER'S COMMENTS

A very nice Northline 42 Wheelhouse, built in 2022. This North Line is barely distinguishable from new and is very fully equipped. The polyester vessel features two Cummins main engines, a bow and stern thruster, trim tabs and an Onan generator. In addition, the vessel is CE-A classified. So this very seaworthy motor yacht is fully equipped and perfectly designed for long trips over the ocean, among others. In short, a great sailing boat with very good sailing characteristics. Come and view her at our sales office in Loosdrecht!
