POLLARD COASTLINER 38

BROKER'S COMMENTS

This Coastliner 38 has been kept in a very good shape. She has excellent sailing characteristics, easily to be operated by the bow and heck thruster. She has a strong and extremely silent engine. Even in the winter it is pleasant to stay on-board, due to double glazing, insulation a good heating system. There has not been any cut on the latest techniques, such as a generator. This Coastliner 38 can be seen in our covered salesmarina in Sneek.
