BROKER'S COMMENTS

This Bostrom 37 was built at the Porali Marin yard in Sweden, the same yard as Hallberg Rassy's and Najad's at the time. She is a good example of a seagoing, safe cruising yacht. Excellent design with performance under sail, spacious accommodation and a large centre cockpit and 2 spacious cabins forward and aft. This Bostrom 37 is therefore extremely suitable for both long and short stays and can be viewed at our Hindeloopen location.
