

## CABO RICO 34

## BROKER'S COMMENTS

The Cabo Rico 34 is a semi-long keel blue water sailing dream, stylish designed and built to cross any sea in any condition. Feel free to have a very critical look at "Cabeau". When we sold her first time in 2009, she was good looking and well maintained, but now .... words in a brochure cannot explain her amazing condition. The hull, deck and finish look like she left the yard yesterday, she is simply beautiful. All canvas is in great shape, rigging is top. The sails are good and can still do years, but a new set would complete your wish list if you opt for total perfection.
