BROKER'S COMMENTS

This beautiful Jongert 19S was solidly built by the famous Dutch quality shipyard Jongert. She has been owned by her current owner for 30 years, who has pampered her with much care and attention. In 1997 a complete refit was carried out at Jongert. The engine was also completely overhauled. A superbly designed yacht with the usual Jongert quality in her teak interior. She has a well appointed aft cabin with a double bed and there is a bath in the bathroom. The two guest cabins with separate bathrooms and a crew cabin in the foreship, offer ample space.
