

TJALK 13 M

TJALK 13 M

BROKER'S COMMENTS

"This historic tjalk was built around 1920 and received a refit in 1990, during which the ship was sandblasted and coated inside and out. The Tjalk is ready to sail, with complete and good condition rigging and mast lowering installation. The saloon has headroom, central heating and the bathroom has a shower. "

Bas Lohmann
