GOEREE 1090 OK

BROKER'S COMMENTS

Are you looking for a classic-lined compact motor yacht with which you can navigate the inland waterways? Then this Goeree 1090 OK is definitely something for you. It is a characteristic design by Olivier van Meer (known for the Puffin yachts, among others) with a low air draft and a seaworthy round bilge hull. The Goeree 1090 OK offers a surprising amount of interior space with very generous headroom. The wide sidedecks, the powerful bow thruster and the Mitsubishi diesel engine with shaft drive ensure easy handling of the boat. Come and see the Goeree 1090 OK at De Valk and be surprised!
