# GREENLINE 40 HYBRID

## BROKER'S COMMENTS

This very modern and beautifully lined Greenline 40 hybrid is more than ahead of its time. With its hybrid drive and 2 economical and quiet VW engines 150 hp, this is real recreation. Has 2 cabins and 5 berths, folding swimming platform and a generous package of navigation equipment on board which makes this vessel very complete. You can view this ship in our covered sales marina in Loosdrecht.
