NIMBUS 320 COUPE

BROKER'S COMMENTS

This Nimbus 320 Coupé is a popular and seaworthy cruiser and has undergone extensive upgrades and maintenance since 2022. Key enhancements include a lithium-ion battery bank for extended stays without a power connection, an optimized alternator for power generation, a brand-new canvas cover, premium synthetic teak decking on the bathing platform, and a new chartplotter. With its recent upgrades and meticulous maintenance, it presents an excellent opportunity for those seeking a modern and ready-to-go vessel.
