FARR 56 PILOT HOUSE

BROKER'S COMMENTS

The Farr 56 PH built by BSI Marine is wonderful well kept yacht for long term cruising sailing. She sails really well upwind, partly due to the wing keel, and able to sail in very light airs thanks to Bruce Farr's genius hull design. Well-equipped for big cruising trips; generator/water-maker/navigation tools. Easy to handle because of the hydraulic winches. Light interior, the main saloon is furnished in leather with an extending dining table. The galley is fully equipped with gas cooker, oven and microwave, ample larder capacity incl. fridge and freezer. Can be viewed in the Med. UK VAT.
