JEANNEAU SUN ODYSSEY 42i

BROKER'S COMMENTS

The Sun Odyssey 42i is-a comfortable, performance-oriented coastal cruiser featuring injection-molded decks (hence the “i” in their name), giving a neat and clean look and which, according to the builder, means less weight, a lower center of gravity and better structural properties since resin is more evenly distributed!! The interior is light and spacious with fine Teak laminated panels and solid trim used throughout which contrasts warmly with the light-coloured upholstery and liner. The owner’s cabin forward features a full head and second shower.
