## BROKER'S COMMENTS

Where most explorer type Trawlers lean on very traditional lines, they can't match the three decks accommodations that the Navetta 58 offers. You will find that once onboard this well appointed yacht, she offers you more than just that. Spending time aboard exploring even far away destinations in great comfort, style and handling the Navetta 58 will be well up to the tasks you present her. She comes fully equipped, heating, stabilizer, joystick controller. Exclusive to the Northern European market so this is your moment! In- or excluding VAT sale possible.
