BURMESTER 10.0

BROKER'S COMMENTS

The Burmester shipyard was founded in 1920 by Ernst Burmester (1893-1965) in Bremen-Burg. The company grew considerably after that. They built lifeboats and small boats. This Burmester is a very nice wooden boat with a classic line, wrapped in polyester. A boat with a chic allure. The boat was completely renovated in 2005, in 2019 a new hood and new cushions. In short, a very nice classic ship.
