BROKER'S COMMENTS

The Lagoon 380 S2 is a world-class cruising catamaran blending comfort, performance, and style. With spacious interiors, panoramic views, and smooth sailing, she is the perfect choice for unforgettable adventures with family and friends. Since 2021 she has had a technical refit, building on what was already good but making her better. This Lagoon 380 by Van Peteghem & Lauriot-Prévost was introduced in 2000 and the S2 version is the best one to get. Her owners have made lovely sailing trips, enjoying all the Mediterranean has to offer. A videotour is available. Now in Almerimar Spain.
