LAGOON 380 S2

BROKER'S COMMENTS

"Mare" is a Lagoon 380 S2 designed by Van Peteghem / Lauriot-Prevos. It is an "owner version" with 3 cabins, where the starboard hull is equipped with the owner's cabin with a separate toilet and shower. She is in very good condition (not a charter ship), has a nice interior, a good navigation and autopilot package. A carbon bimini has been made above the cockpit with solar panels on it, you can walk over it and therefore the mainsail is easy to clean up after sailing. The boat is located in Northern Spain / Coruna, you are welcome to view this multihull.
