# STEVENVLET 1080

## BROKER'S COMMENTS

This well maintained round bilged Steenvlet 1080 has a very practical and spacious layout which will make longer stays onboard very comfortable. With her strong engine, bowthruster and easy deck access through the 2 side doors this Steenvlet is easy to handle. She just had a new paintjob on the under water body, hull, decks, superstructure and is now ready for a visit with us in Sint Annaland.

*Joris van de Rijt*
