ELAN IMPRESSION 434

BROKER'S COMMENTS

The Impression 434, designed by Rob Humphreys is an attractive boat that hints at a deck-saloon theme and wears its cruiser label with pride. Its high freeboard may increase windage, but it also adds enormously to the interior volume with a light airy and very comfortable saloon. The hull is uncompromisingly strong, has a sea kindly motion, and is capable of carrying realistic payloads. She is therefore the perfect boat for either family sailing in the Mediterranean or a fast cruiser for crossing the oceans.
