STEVENVLET 1440

BROKER'S COMMENTS

De Scheepsbouwers is a shipyard based in Werkendam since 1981 and is responsible for building this amazing Steenvlet 1440 "Mazelaar". A very complete motor yacht with basically everything imaginable on board : Central heating (Kabola), double glazing, well insulated, 1 spud pole, hydraulic bow thruster, anchor windlass, hydraulic folding "mast". Actually a motor yacht that you "must" have seen. You are welcome 7 days a week in our covered sales marina in Sneek.
