OYSTER 39

BROKER'S COMMENTS

The Oyster 39 was the first yacht designed solely for cruising and is s a high volume, centre cockpit ketch, with a comfortable owner's stateroom aft. She is extremely popular due to her class leading accommodation space, which is remarkable for a yacht of her size. Jacaranda of Fal has only had three owners and her current owner has lovingly refitted her during the last three years with her hull professionally painted and epoxied below the waterline. A full list of updates is available.
