SUPER VAN CRAFT 1570

BROKER'S COMMENTS

This Super van Craft 1570 was built at the famous Klaassen yacht yard in Voorschoten. She has a pilothouse, two cabins, each with its own separate shower and toilet and double glazing, which makes this Super van Craft very suitable for on board living and long cruises with everything you need + more. The current owner since 2001 has spared no expense and has never stopped to refit, upgrade and maintain the boat over the years. Complete refit of the interior, new engines, pilothouse complete new fitted in 2017, stabilizers, and many more!
