VAN DE STADT 40 CARIBBEAN

BROKER'S COMMENTS

'Dakota' is a well balanced and a very stable aluminum Van de Stadt 40 Caribbean. The perfect combination for long distance blue water cruising. A nice and safe shelter thanks to her fixed doghouse and the large cockpit provides both safety and comfort. Handcrafted and spacious interior, lots of stowage space and easy to handle single handed or by a small crew are some key features. Proven track record and maintenance records are available. Come over to our sales marina in Katwoude to step a board.
