BROKER'S COMMENTS

"At the head of its category, the A76 GLX converted to the A80GLX with a larger hydraulic platform, enter a new era with a futuristic concept in flybridge motor-yachts. You will find that this yacht will offer luxury amenities at a high standard and a very comfortable and open layout with an astonishing fly bridge with Jacuzzi, bar and a large seating area. She surely exceeds the volume and performance that you would expect from a yacht of this size. Exclusively private, this yacht has been kept and maintained by a very demanding owner and properly crewed all year and busy every season."
