ASTONDOA 80 GLX

BROKER'S COMMENTS

At the head of its category, the refitted (2017) A80GLX, in-house by Astondoa, with a larger hydraulic platform, enters a new era with a futuristic concept in flybridge motor yachts. You will find that this yacht will offer luxury amenities of a high standard and a very comfortable and open layout with an astonishing flybridge with a Jacuzzi, bar, and a large seating area. GARWAY surely exceeds the volume and performance that you would expect from a yacht of this size. Exclusively private, this yacht is being sharply kept and well maintained by crew all year.

Tue Simon Fasting
