BENETEAU FIRST 435 E

BROKER'S COMMENTS

This is the design that has people fooled to believing she's a Swan. 'Zwier' is the reputed Germán Frers design that received great reviews from other designers for a being the most state of the art performance cruiser. The interior layout of this Beneteau First 435 E is designed for comfortable cruising and also excellent for liveaboards with plenty of seating in a nice appointed salon. Each of the cabins have their own heads, shower and sink. This 435 is located at our sales marina ready for a visit.
