JEANNEAU 54

BROKER'S COMMENTS

The Jeanneau 54 DS looks good, it feels substantial, it is easy to sail and it is capable of many roles. It looks and feels like a minisuperyacht. The slightly raised and bright saloon has a U-shaped settee with a fold out table and a two-seat bench to starboard. The navigation station to starboard is forward-facing and near the companionway for good communication with the helm. Under sail she is very light and responsive, able to sail at 7 knots in a 10 knot breeze on a beam reach and powering at 9.5 knots on flat water. It's as easily manoeuvred as a 30-footer. An ex charter boat.
